

Directions to Sandy Hill Nature Park & Terrace

FROM THE SOUTH, exit the Uriah Butler Highway at the Freeport turnoff (which is sign posted and about half-way between the Grand Bazaar and the San Fernando turnoff), drive down the slip road, turn right at the junction, drive under the bridge and turn first right onto Mission Road.

FROM THE NORTH, exit the Uriah Butler Highway at the Freeport turnoff, drive down the slip road and go straight across onto Mission Road.

Drive along Mission Road for 4 to 5 minutes, (approx. 2.4 km) – you will pass Ogeer Trading with a big “Sissons Paints” sign on your left – until you get to a big house with a green roof on your left.

Turn left immediately after that house onto Freeport Todds Road. There is a sign which says ‘Lakshmi Narayan Temple’ on the corner. Drive along Freeport Todds Road passing over a small bridge for 2 to 3 minutes (approx. 0.7 km) until you get to a hump across the road and a yellow house on your left.

Turn left immediately thereafter onto Arena Cemetery Street. It is not signposted, but there is an old vehicle bonnet with “Frankie’s Auto Import” painted on it at the corner, that you cannot miss.

Drive along Arena Cemetery Street for a couple of minutes (approx. 1 km) and up along a straight stretch with some large houses on your left until you get to a house with a cream coloured wall and a big mango tree on your right.

Turn left onto a dirt road opposite the mango tree and drive down for about 300 yards to the bottom of the “Open” field on your right. Turn right and drive along the fence below the open field towards the trees.

Follow the road straight between the trees and then turn left and go into the Cashew Grove (which is the central meeting area) and park as directed.
